Dear Mr. Rothermel:

Your gift of stamps was very thoughtful. Many thanks.

Enclosed are copies of Commission Exhibit 3067 which is published in Vol 26 of the Hearings Before the President's Commission on the Assassination of President Kennedy. They consist of the only FBI reports on these individuals in the National Archives. On the last page are given the following names which are of interest to me:

Dr. Julio Cesar Fernandez, Julio Cesar Fernandez Jr., Mr. & Mrs. Antonio Larraz, Jose Larraz, Aurora Laonzo, and Sergio Fernandez

It would not surprise me if certain of these individuals had applied to Mr. Hunt for aid of some sort. There are indications that they may know something of the assassination. If you would like, I will send you my file of memos from the work I have done on this in Martinsburg, Penna. from which the FBI reports originated. I would very much appreciate any information you have on them.

The memos on David Kroman, formerly of Minneapolis, will be sent by the end of this week. One of my researcher's has them and is having copies made. He claims to have spoken with Mr. Hunt so he should be of some interest.

Sincerely yours,

Gary Richard Schoener
